

Interior Solutions for Sourcewell Formerly NJPA

Due to strong market leadership, KI has been awarded a competitive bid contract with Sourcewell, formerly NJPA. The contract allows purchasing professionals from local and state K-12 school districts, higher education, government agencies and nonprofits nationwide to select a wide range of architectural walls, education furniture and fabric solutions at favorable pricing. A trusted market resource and the number one preferred architectural walls and furniture supplier for educational solutions, KI provides personalized solutions and simple, durable product design. Additional information can be found on the vendor-provided, non-government website at: www.ki.com.
